

Quality You Can't Hear

MEI's solid design and manufacturing feature a soft rubber wheel that results in very quiet cam operation.

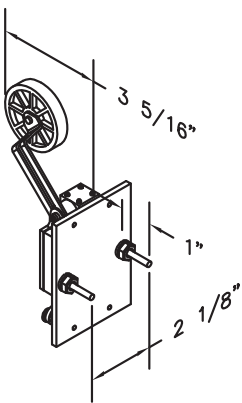

Reliability You Can Count On

MEI limit switches come pre-wired from the factory and are CSA certified, meeting ANSI requirements. Built-in contact wiper enhances long-term performance.

Don't Let Our Low Price Fool You

Top quality components at competitive pricing make the MEI switch an even better value.

Compatible Design for Replacement Application

- 2 sets of contacts: 1-NO and 1-NC
- Direct replacement for other major manufacturer's switches
- Easy adjustment

Call Now! A technical representative can provide more information on how easy it is to modernize with new limit switches from MEI.

Part No.	Description
2014	Cam Assembly 14 GA. Galvanized 6'-0" (5'-0" Face)
9290	Cam Assembly 14 GA. Galvanized 10'-0" (8'-0" Face)
1455	Cam Bracket Assembly (Auxiliary)
21150	Limit Switch Bracket Assembly Single 10" (without switch)
13221	Limit Switch Bracket Assembly Single 13" (without switch)
16052	Limit Switch Bracket Assembly Single 16" (without switch)
